

**Dear Lake Wausau Friends & Families,**

As many of you know, the Lake Wausau Association was created in the 1980's by concerned citizens to address the rights of boaters, property owners, the environment, and the safety of all users on the Lake. The Lake Association became inactive nearly a decade ago as various goals of the Association were fulfilled. Recently, the Lake Wausau Association was reorganized to continue its mission to protect, maintain, and enhance environmental and recreational values on Lake Wausau and its surroundings; to organize and conduct activities intended to maintain or improve the ecology, water quality, fishing, and recreational use of Lake Wausau; to promote, encourage, and represent the collective interests of the members of the Lake Wausau Association; and to obtain and provide to its members information of concern to the riparian property owners and recreational users of Lake Wausau.

**We strongly encourage you to join our mission  
& become a Member of the Lake Wausau Association today...  
Take this opportunity to meet your Lake neighbors  
and recreational users!**

Please join us at [6:00 PM on Tuesday, March 22, 2011](#) at Howard Johnson's in Rib Mountain for a Member Meeting where Scott Provost, DNR Representative of our local area Wisconsin River Way, will speak on matters pertaining to Lake Wausau. The Association's first order of business is to clean up the weed and algae growth that has developed over the past decade. Scott will provide information on this subject, as well as other areas of Member interest. If you're not currently a Member, this is a perfect opportunity to join us by becoming a Member. Member fees are currently \$15.00-Single and \$25.00-Family.

We are in the process of developing a new website where you can find more information about the Lake Wausau Association including newsletters, calendar of events, membership information, volunteer opportunities, and much more. Please watch for us on the WEB. Until our new website is up and running, you may find information about the Association at [sales@outdoor-exchange.net](mailto:sales@outdoor-exchange.net) or by calling our President, Bill Goetz, at 715.432.3858.

We look forward to seeing you at our upcoming Member meeting!

The Board of Directors of Lake Wausau Association, Inc.,

Bill Goetz, President  
Nathan Birchler, Vice President  
Kathy Beatty, Secretary  
Theresa Graveen, Treasurer  
Russ Graveen, Board Member

Rick Parkin, Board Member  
Holly Kohl, Board Member  
Dave Dalum, Board Member  
Jim Nauta, Board Member  
Travis Wistrom, Board Member
